

The cover features a large, vertical silhouette of the state of Alabama. The silhouette is filled with a vertical gradient, transitioning from a bright red at the top to a vibrant yellow at the bottom. Two black, stylized hands are positioned as if holding the map: one hand is at the top left, with fingers pointing towards the center, and the other is at the bottom right, with fingers pointing towards the center. The hands are solid black with no internal details.

ALABAMA RESOURCE GUIDE

For families impacted by incarceration

Funding for this project was provided by the United States Department of Health and Human Services, Administration for Children and Families, Grant #90FM002001. Any opinions, findings, services and conclusions or recommendations expressed in this material are those of the providers and do not necessarily reflect the view of the United States Department of Health and Human Services, Administration for Children and Families or Healthy You, Inc.
